Spring Term

Principal's Welcome

It has been another truly lovely week in school. The children continue to work incredibly hard and remain active, engaged and joyful in their learning.

We are especially delighted to see how much they are enjoying their Stormbreaks in class ★— a wonderful opportunity to pause, reset and support their own wellbeing. A huge thank you to Miss Forde and Mrs Nolan for being such passionate advocates for this important work.

After half term, we will be placing a renewed focus on uniform and high standards across school. Wearing the correct uniform helps children feel a strong sense of belonging, pride and readiness for learning. It also reflects the unity and values of our St Peter's community. Our Uniform Policy is included in today's newsletter for all families.

Thank you, as always, for your continued support.

God bless,
Mrs Mellor

Mini Vinnie Disco

The Mini Vinnie's are hosting a Valentine's Disco, to raise money for their chosen local animal charity.

On **Friday 13th February**, children may bring £2 into school and wear red, white or pink clothing (if you do not have these colours own clothes is fine).

The children will have a Key Stage One and Key Stage Two disco in the afternoon - during school time. A drink will be provided during the disco.

Catholic Life

February is dedicated to...

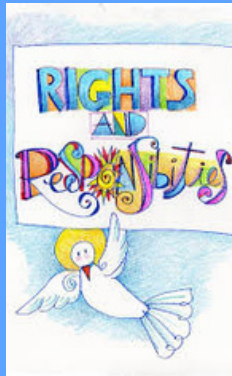

The Holy Family

February in the Catholic Church is traditionally dedicated to the Holy Family—Jesus, Mary, and Joseph. It's a time to reflect on their love, unity, and example for all families. We encourage you to take small moments this month to celebrate and strengthen family life at home. This month, let's teach our children how precious family truly is.

Catholic Social Teaching: Rights and Responsibilities

Catholic Social Teaching says everyone has rights—like life and education—and responsibilities to protect others' rights. Teaching children fairness and care helps create a just, loving community.

Jesuit Virtues:

Curious

Curious learners ask questions, explore ideas, and seek truth to grow in knowledge and faith.

Active

Active learners use their talents to help others, act with purpose, and live out their faith.

Gospel Reflection

In this Sunday's Gospel, Jesus calls us to be the salt of the earth and the light of the world, reminding us that our actions can bring hope, kindness and direction to others. When we live with compassion, honesty and courage, we help our children see how faith makes a real difference in daily life, and we inspire those around us.

This week, families are invited to reflect: Where can we bring more kindness and joy? How can we encourage our children to let their light shine confidently? What simple actions could brighten someone's day and reveal God's love through us?

Pope Leo's Prayer Intention

January: Children with Incurable Diseases

In February, Pope Leo XIV asks us to pray for children living with incurable illnesses. He invites us to hold these children and their families in our hearts, praying that they receive the care, strength, and hope they need each day. Together, let's teach our children compassion and empathy.

OPERATION ENCOMPASS

We are an operation encompass school. Therefore school is working alongside the police to ensure support for any child who has been involved in or witness to domestic abuse. Please find more information about this on our website or contact the school office.

Spotlight on ... SEND...

We talk a lot about impulsive behaviour in schools – but we don't always fully understand where it comes from. That's exactly why the University of Birmingham in the UK are inviting young people (aged 8-16) to take part in a study. They'll:

- Answer questions about their thoughts, feelings and behaviours
- Play a few computer-based games

...and in return, they'll get a certificate, a prize AND there's also the option of a brain scan! 🧠

📁 Plus parents / carers can receive up to £30 for taking part, plus travel expenses.

Pupils can take part either on-site or online.

If any of your students are interested, help them get in touch before March 2026.

Parking

Please avoid parking on zigzag lines, blocking driveways, or parking on grass verges. It's unsafe and causes disruption to our neighbours. Thank you for your cooperation.

Thank you to all the parents that have been supporting us with parking. I have written to the police and local Councillors for their support and will come back to you with further updates as soon as I have them.

Please do take care not to obstruct or churn our neighbours grass verges.
