Summer Term

Principal's Welcome

Welcome back after what I hope was a sunny and restful half-term break. I hope you were able to enjoy some quality time together as a family.

I can hardly believe we are already in the final half term of the year! It is set to be a very busy one, filled with exciting learning opportunities and memorable experiences. Please do keep an eye on Class Dojo for updates and important information about upcoming events.

We have already had lots of trips taking place this week, and as always, the children have represented our school beautifully. Their behaviour, enthusiasm, and kindness continue to make us proud.

As we move through this busy time, let us remember to walk in faith, showing love and care for one another in all that we do.

God bless,
Mrs Mellor

Ofsted Visit

We are pleased to share that our school has been selected to take part in an important inclusion research project led by Ofsted, who are responsible for inspecting schools and exploring key issues in education.

As part of this work, representatives will be visiting us on Tuesday 9th June to look at how we support all children to feel valued, included, and able to fully participate in school life. The visit will focus on the strategies and approaches we use to ensure every child can thrive, and we are proud to showcase the inclusive ethos that underpins everything we do at St Peter's. Please see the dojo post.

June is dedicated to...

June is dedicated in the Catholic Church to the Sacred Heart of Jesus, a devotion centred on Christ's love, mercy, and compassion for all people.

This month invites us to reflect on His sacrificial love and deepen our relationship with Him through prayer, kindness, and acts of charity. By turning to the Sacred Heart, we are reminded to show forgiveness and care to others, living out the Gospel message in our daily lives each day.

Catholic Social Teaching: Solidarity of the Common Good

This term we focus on Catholic Social Teaching: Solidarity and the common good which calls us to recognise that we are one human family, responsible for caring for each other and working together to ensure that everyone can flourish and live with dignity.

Gospel Reflection

This Sunday's Gospel invites us to pause and reflect on how we respond to God's call in our everyday lives. As parents, we are often busy and distracted—but Jesus reminds us that love, patience, and faithfulness are found in the small moments.

How often do we make space to truly listen—to God and to our children?

Let this week be an opportunity to model kindness, forgiveness, and trust. By living out these values at home, we help our children grow in faith and show them what it means to follow Jesus in daily life.

Jesuit Virtues:

Attentive

Being attentive means listening carefully with an open heart, noticing the needs of others, and being fully present to God and those around us.

Discerning

Being discerning means thoughtfully reflecting and seeking God's guidance to make wise choices that are loving, just, and in line with our values

Pope Leo's Prayer Intention

June: The Value of Sport

For the month of June, Pope Leo invites us to pray for the values of sport, that it may be a force for peace, unity, and friendship in our world. Through teamwork and respect, sport can bring people together and build community. May we encourage these values in our children and in our daily lives.

CORPUS CHRISTI

— PROCESSION —

SUNDAY 7TH JUNE

The Feast of Corpus Christi is being observed on **Sunday 7th June**. A monstrance, transported in a vehicle provided by Morton's, will begin the vehicular procession from Our Lady of Perpetual Succour, Rednal to St. John Fisher, West Heath. From there to Our Lady & St. Brigid, Northfield to Our Lady & St. Rose of Lima before ending at St. Peter's, Bartley Green.

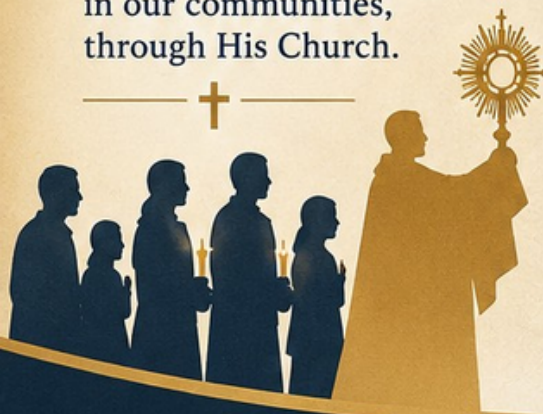

At each church, there will be a short reading of Scripture, followed by a prayer, and then a blessing over that pastoral area.

People will then follow the Blessed Sacrament from 'their church' to the next church.

You are free to follow to the end, from wherever you begin, or to line the street as the vehicle leaves your church.

THIS IS A BOLD AND POWERFUL WITNESS to the presence of Jesus, in our communities, through His Church.

Life at St Peter's ...

Bikeability

This week, Year 5 have participated in Bikeability 🚲, learning essential skills for safe and confident cycling on the road. Understanding road safety is vital for keeping children safe and independent 🚦.

The class showed excellent behaviour ★ and fully engaged in every session, demonstrating great enthusiasm and enjoyment 😊 while building important life skills.

Year 6 Apple Store Visit

Year 6 visited the Apple Store 🍏 this week for an exciting coding workshop 💻, where they developed their digital skills, worked creatively, and showed fantastic enthusiasm and behaviour throughout the experience 😊

Reception Transport Museum Visit

Reception had a wonderful trip to the Transport Museum 🚗, exploring different vehicles and learning how transport works. The children showed excellent behaviour ★ and had lots of fun, engaging with all the activities 😊

Key Stage Two Sport's Day

Our KS2 children had a fantastic day at Tudor Grange Stadium for Sports Day.

The children showed incredible resilience in every race, demonstrating that both winning and losing are important parts of life. What stood out most was the way they carried themselves—with humility in victory and grace in defeat.

There were wonderful moments of celebration, but always with kindness, as pupils cheered on their friends right to the finish line.

It was truly wonderful to see such sportsmanship and team spirit on display. I felt incredibly proud of every single child.
