A MESSAGE FROM THE PRINCIPAL

We have had another lovely week in school, with a particular highlight being our trip to London to visit the Houses of Parliament with Year 5. We all learned so much about how Parliament works and were especially fascinated to learn about the role of the Serjeant at Arms!

I have also had the privilege of meeting with our Year 6 pupils and their parents to discuss how they can make the most of their final year at St Peter's. We talked about excellent attendance, positive learning habits, making the most of every opportunity, and preparing for secondary school. It was wonderful to see pupils and parents working together to make this a happy, successful and memorable year. You've got this Year 6 and we've got you.

Miss Luff has been meeting with our Reception parents to talk about the importance of reading, how we teach early reading and phonics in school, and the ways families can support learning at home. Parents also had the opportunity to see phonics teaching in action within the classroom, which was greatly appreciated.

Finally, thank you to all parents who attended our Meet the Teacher sessions. These meetings provided valuable information about the curriculum and learning opportunities planned for your children this year. If you were unable to attend, class newsletters can be found on your child's year group Class Dojo page.

Catholic Life

September is dedicated to...

Our Lady of Sorrows, reflecting on the love, faith and strength Mary showed during the difficult moments of Jesus' life, especially His Passion and Crucifixion.

Catholic Social Teaching: Family and Community

This half term, we are exploring the Catholic Social Teaching theme of Family and Community. We learn that everyone belongs and has a role to play in God's family, building a caring, respectful and inclusive school community where all can flourish.

Jesuit Virtues:

Grateful

This half term, we are learning to be grateful by recognising God's gifts and thanking those who help us each day.

Generous

This half term, we are learning to be grateful by recognising God's gifts and thanking those who help us each day.

Pope Leo's Prayer Intention for September is For the Care of Water

During September, we join Pope Leo XIV in praying for the care of water. As we celebrate the Season of Creation, we thank God for this precious gift and are reminded to use it wisely and care for our common home.

This Sunday's Gospel

This week's Gospel comes from Matthew and tells the story of the Workers in the Vineyard. Jesus teaches us that God loves each of us equally and welcomes everyone into His Kingdom. The Gospel reminds us not to compare ourselves to others but to be thankful for God's generosity.

See this week's family liturgy link and take some time to share it together at home.

Year 6 Secondary Transition Applications

Applications for secondary school places must be submitted to Birmingham City Council by the published deadline of **31st October 2026**. If you need any support with completing your application, please contact the school office and we will be happy to help.

Please be aware that late applications are not considered until all on-time applications have been processed and places allocated. This means that families who apply after the deadline are much less likely to secure a place at one of their preferred schools.

Macmillan Coffee Afternoon

September 25th 3.00pm

Join us in the school hall for our Macmillan Coffee Afternoon. We would greatly appreciate donations of shop-bought, packaged cakes- on the morning. Enjoy tea, coffee and a chat while supporting a wonderful cause. All proceeds will go to Macmillan Cancer Support. Thank you for your support!

School Photographs Tuesday 3rd November

Our annual school photographs will take place on Tuesday 3rd November. All children should attend in full school uniform, looking smart and ready for their photograph. PE arrangements will be adjusted for the day, so children should not wear PE kit. Thank you for your support.

Free School Meals

National eligibility for Free School Meals has recently been expanded. If your family's circumstances have changed, or you have not checked before, your child may now qualify. Registering can provide additional funding for our school through Pupil Premium, helping us offer extra support and opportunities for children. Please contact the school office for more information or [click here](#) to check your eligibility

Medical and Dental Appointments During School Time

To maximise learning time, we ask parents and carers to arrange routine medical, dental and orthodontic appointments outside of the school day wherever possible. We understand that this is not always possible, particularly where appointments are allocated by the NHS or hospital services.

Where an appointment must take place during school hours, please notify the school in advance and provide evidence of the appointment. Wherever possible, children should attend school before and after their appointment so that disruption to learning is kept to a minimum.

Every day in school counts, and we appreciate your support in helping us achieve the best possible attendance for all pupils.

Attendance

Our attendance for the last academic year was 96.4%. Thank you for your ongoing support.

Every day in school counts. Good attendance helps children build friendships, develop confidence and achieve their best. The Department for Education expects schools and families to work together to ensure children attend regularly and on time. If your child is experiencing any difficulties that make attendance challenging, please speak to us as early as possible so that we can offer support. Together, we can ensure every child benefits from the opportunities and learning that each school day provides

Please see attendance letter from Birmingham Attached on the next two pages.

GOOD ATTENDANCE MATTERS!

Every school day counts

IMPORTANT INFORMATION FOR PARENTS AND CARERS

Why is regular school attendance and good punctuality so important for my child?

Regular attendance at school means that your child can make the most of their education and improve their chances in adult life. School can also help your child's social skills such as making and developing friendships.

The link between attendance and attainment in school is clear. The more a child is in school the more they increase their opportunity to fulfil their potential.

Good punctuality is important. For example, if a child arrives 15 minutes late at school each day, they lose almost 2 weeks of education over the year. Good punctuality also helps your child get into good habits for when they enter the world of work.

Lateness can cause your child embarrassment and, in some circumstances, can count as unauthorised absence.

How can I help my child enjoy school and attend regularly?

Be organised, have a plan, be consistent and involve your child!

You should:

- ensure they have an appropriate bedtime routine
- create good routines for mornings at home so that your child can arrive punctually and are properly equipped;
- avoid absence from school wherever possible – try to make doctors and dental appointments out of school hours
- make time to encourage and show interest in school work, friendships etc.
- attend school open evenings and functions
- Create a calm space for them to do homework, check they understand the homework and that it has been completed.
- share any education concerns your child or you may have with the school staff as soon as possible
- set realistic boundaries

Holidays/Leave in term time

Holidays in term time are not allowed. Parents/carers must apply for the authorisation of any leave prior to travel or their children could be reported to the council as missing in education.

Leave for other circumstances such as bereavement or family illness abroad may also not be authorised. Informing the school does not mean the leave is agreed. In the event of a genuine family emergency, parents should avoid requesting more than 5 school days absence. Leave due to weddings is unlikely to be authorised.

Two weeks unauthorised holiday/leave means at least 50 lessons missed that will never be repeated.

What does the law say I must do as a parent/carer?

Once your child is registered at a school, you are legally responsible for making sure they attend regularly. This means your child should not have any unauthorised absence as this would constitute an offence in law.

When attendance doesn't improve after support or, when a minimum of 5 days unauthorised holiday/leave is taken, legal action can be taken.

Courts can fine parents/carers up to £1,000 per child and for repeat offences the court can fine parents/carers up to £2,500 per child or impose a prison sentence of up to 3 months.

In many cases, but not all, parents/carers can discharge an offence by paying a penalty notice of £160 for each parent per child, discounted to £80 if paid within 21 days. For a family of two parents/carers with 3 children that would be at least £480.

Where can I get help and advice?

If you need support in relation to your child's attendance, help is available. Please make an appointment with the school to discuss your concerns.

Most difficulties can be resolved informally, but the staff can also arrange an early help assessment or make a request for support to Birmingham Children's Trust if necessary, with your consent.

School nurses can also be helpful if your child has a medical condition or has a lot of time off due to illness.

Parents/carers are strongly advised to work in partnership with the school to address any difficulties impacting school attendance. For more information about school attendance or if you need help or support, please use these links:

Key Information

Punctuality

Our punctuality drive to ensure every child gets the very best start to their day is well underway. Thank you to those families who have worked hard to improve their child's attendance and punctuality.

A positive school day begins with arriving on time. Learning starts straight away, and children who arrive promptly are settled, ready to learn and do not miss important morning routines, instructions and learning opportunities.

Please remember that the school day begins at 8:50am and the gates close promptly at 8:55am. Be sure to arrive on time!

If you are struggling with punctuality, or your child is finding mornings difficult, please contact Mrs Kenny to discuss how school can help and support you. When we work together, everything is better, and every child benefits from the best possible start to their day.

Key Information

Parking Around School

We ask all parents and carers to park responsibly and considerately when dropping off and collecting children.

Unfortunately, we have received several complaints about vehicles blocking residents' driveways, parking on pavements and mounting grass verges. These actions can cause inconvenience to our neighbours and create significant safety risks for children, families and other road users.

Please show courtesy and respect to those who live near our school. There is parking available a short walk away, and if necessary, we ask families to leave a few minutes earlier, park further from the school site and walk the remainder of the journey.

Please be aware that unsafe, obstructive or illegal parking may be reported to the police or local enforcement officers. We are also working with local partners to support periodic patrols in the area.

We appreciate that the start and end of the school day can be busy times for everyone, but the safety of our children and the consideration we show to our neighbours must remain our priority.

Thank you for your support and cooperation. Together, we can ensure that school drop-off and collection are safe, respectful and positive for all.

The Woodgate Pride in Place Programme is looking for Community representatives and residents to form the Woodgate Pride in Place Neighbourhood Board, which will oversee the delivery of the £20 million Pride in Place programme in Woodgate over the next 10 years. This is a second application window in order to give further opportunities to people who may have missed the original, so if you have already submitted an expression of interest, then you do not need to do so again, all expressions of interest submitted so far will be reviewed following the closing of this second window. For more details, please see below and attached. Please share this opportunity amongst your networks.

Submit an Expression of Interest to be a member of the Pride in Place Neighbourhood Board for Woodgate

Applications are now open for respected, passionate community leaders and residents to apply for a position on the Woodgate Pride in Place Neighbourhood Board.

The Neighbourhood Board Member's responsibilities will include:

bringing together residents, community organisations, local services and partners to produce the Woodgate Pride in Place Plan
championing inclusive, community-led decision making
acting as a voice for the programme within the neighbourhood
ensuring funding is used in a way that reflects local priorities and supports lasting change
The role is voluntary and part-time and reasonable expenses will be reimbursed.

While experience in community leadership or governance is welcome, enthusiasm, integrity and a strong connection to Woodgate are essential.

Please also find attached a map of the Woodgate Pride in Place Area.

If you are interested in applying for this position complete the online form by midnight on 24th September 2026. Shortlisted applicants will be invited to an informal meet and greet with the selection panel on a date yet to be confirmed but anticipated in early October.

Spotlight on Safeguarding

Road Safety

As children become more independent, it is important that we continue to reinforce road safety messages, particularly for those who may be walking or travelling home independently.

Please remind your child to:

- Stop, look, listen and think before crossing any road.
- Use pedestrian crossings whenever possible.
- Avoid using mobile phones or headphones when near roads.
- Stay alert and be aware of driveways and parked cars.
- Walk sensibly with friends and never push or play near roads.

Even older children can be easily distracted, so regular conversations about staying safe near roads can make a real difference.
