Autumn Term

A MESSAGE FROM THE PRINCIPAL

Wash^{your} hands!

We've had a lovely week in school, although we are sorry to hear that a sickness bug has affected a number of our staff, children and families.

As we move into the autumn and winter months, bugs and viruses can spread more easily. We would be grateful if you could take a few moments to revisit the importance of good handwashing with your child at home. We will continue to reinforce this in school throughout the day.

To help prevent the spread of illness, affected classrooms have been thoroughly deep cleaned and enhanced cleaning measures remain in place across the school.

Thank you for your continued support. We hope that all of our children who have been unwell are feeling much better and wish everyone a healthy weekend ahead.

Thank you to everyone who attended and supported our Macmillan Coffee Afternoon. This charity is one that is close to many of our hearts, and it was wonderful to see our school community come together to raise funds and show support for those affected by cancer. Your generosity and kindness are greatly appreciated, and together we have made a meaningful difference.

Catholic Life

September is dedicated to...

Our Lady of Sorrows, reflecting on the love, faith and strength Mary showed during the difficult moments of Jesus' life, especially His Passion and Crucifixion.

Catholic Social Teaching: Family and Community

This half term, we are exploring the Catholic Social Teaching theme of Family and Community. We learn that everyone belongs and has a role to play in God's family, building a caring, respectful and inclusive school community where all can flourish.

Jesuit Virtues:

Grateful

This half term, we are learning to be grateful by recognising God's gifts and thanking those who help us each day.

Generous

This half term, we are learning to be grateful by recognising God's gifts and thanking those who help us each day.

Pope Leo's Prayer Intention for September is For the Care of Water

During September, we join Pope Leo XIV in praying for the care of water. As we celebrate the Season of Creation, we thank God for this precious gift and are reminded to use it wisely and care for our common home.

This Sunday's Gospel

This week's Gospel comes from Matthew and tells the Parable of the Two Sons. Jesus teaches us that our actions are more important than our words and that God welcomes those who are willing to change their hearts and follow Him. The Gospel reminds us to make good choices, be honest, and live out our faith each day.

See this week's family liturgy link and take some time to share it together at home.

Key Information

Year 6 Secondary Transition Applications

Applications for secondary school places must be submitted to Birmingham City Council by the published deadline of **31st October 2026**. If you need any support with completing your application, please contact the school office and we will be happy to help.

Please be aware that late applications are not considered until all on-time applications have been processed and places allocated. This means that families who apply after the deadline are much less likely to secure a place at one of their preferred schools.

[click here to apply for a secondary school place](#)

St. Thomas Aquinas Open Sessions

The final Open Morning for St Thomas Aquinas Catholic School is being held on
Saturday 3rd October 2026
between 9am – 12pm.

There will be an opportunity to hear from the Principal, a tour of the school and visit different subject areas. You will be able to see a new dance space, visit our new Science labs and hear about the GCSE results this summer which were fantastic again! Tickets are available to book [Click Here](#) - don't miss out!

Key Information

Could this be for you?

Parenting can be one of life's greatest joys, but it can also bring challenges along the way. Our Psychologically Informed Parenting (PIE) programme offers a friendly, welcoming space to meet other parents, share experiences and explore practical ideas for family life.

If any part of this sounds of interest, why not come along and find out more? Speak to Mrs Kenny for further information. All parents and carers are welcome.

Stronger Families Brighter Futures

Psychologically Informed Parenting

Understanding today. Building brighter tomorrows.

Parenting can be a challenge, especially when we or people in our family have additional needs or have experienced trauma. You're not alone — this programme is here to support you.

Our PIE programme aims to help build stronger relationships between parents and children and to support you through the challenges that can come with being a parent.

Small steps. Big differences.

What will we cover?

- Emotions**
A form of communication.
- Children's behaviour**
Understanding what it means and how to manage and cope with challenging situations.
- Empathic listening**
Accepting that another person's point of view is 'valid' even when you do not agree. People need to feel validated before they are open to change.
- The teenage brain**
How to navigate the minefield of emotions and behaviours.
And much more...

Why join?

- ✓ Connect with other parents in similar situations
- ✓ Learn what is meant to be 'good enough' parenting
- ✓ Build strong family bonds
- ✓ Gain practical tools and strategies to use when you feel at your wits end
- ✓ Develop an understanding of what could be going on for your child
- ✓ Explore new ways of thinking about the challenges you face

"Support today for a calmer tomorrow."

Session details:

- 📍 St Peter's Catholic Primary
- 📅 From Thursday 5th November
- 🕒 9:30 – 11:30 ⌚ For 10 weeks
- 👤 Facilitated by Mrs A Kenny

All parents and carers welcome!

Pathfinders

- Meet other parents
- Practical ideas
- Feel more confident
- A supportive and friendly space
- Listen Understand Support Grow

Key Information

Flu Immunisation

The School Nursing and NHS Service will be in school on 6th October 2026 to administer the Flu Nasal Vaccine. More information to follow, please look out.

Free School Meals

National eligibility for Free School Meals has recently been expanded. If your family's circumstances have changed, or you have not checked before, your child may now qualify. Registering can provide additional funding for our school through Pupil Premium, helping us offer extra support and opportunities for children. Please contact the school office for more information or [click here](#) to check your eligibility

Medical and Dental Appointments During School Time

To maximise learning time, we ask families to arrange medical, dental and orthodontic appointments outside school hours wherever possible. If an appointment must take place during the school day, please inform the school in advance and provide evidence. Children should attend before and after appointments whenever possible, as every day in school counts.

School Photographs Tuesday 3rd November

Our annual school photographs will take place on Tuesday 3rd November. All children should attend in full school uniform, looking smart and ready for their photograph. PE arrangements will be adjusted for the day, so children should not wear PE kit. Thank you for your support.

Key Information

Attendance

Every day in school counts. Good attendance helps children achieve their best, build friendships and develop confidence. If your child's attendance begins to fall, we will work with you to understand any barriers and provide support. Where concerns remain, we may invite parents and carers to attend attendance meetings so that, together, we can help improve attendance and ensure every child benefits from their education.

Punctuality

Thank you to all families who are supporting our punctuality drive. Developing good punctuality helps children build positive habits for life. Please ensure your child is ready to go into class by 8:50am, not arriving at the school gate at that time. Being in school before the bell helps children start the day calmly and ready to learn.

Respectful Parking

Please help us keep our children safe and be considerate of our neighbours by parking responsibly at drop-off and collection times. Do not block driveways, park on pavements or mount grass verges. If possible, park a little further away and walk to school. Thank you for helping us keep our community safe and respectful.

For the safety of your children- parking is not permitted on the yellow zig, zag lines
On Adams Hill or Offmoor

GOOD ATTENDANCE MATTERS!

Every school day counts

IMPORTANT INFORMATION FOR PARENTS AND CARERS

Why is regular school attendance and good punctuality so important for my child?

Regular attendance at school means that your child can make the most of their education and improve their chances in adult life. School can also help your child's social skills such as making and developing friendships.

The link between attendance and attainment in school is clear. The more a child is in school the more they increase their opportunity to fulfil their potential.

Good punctuality is important. For example, if a child arrives 15 minutes late at school each day, they lose almost 2 weeks of education over the year. Good punctuality also helps your child get into good habits for when they enter the world of work.

Lateness can cause your child embarrassment and, in some circumstances, can count as unauthorised absence.

How can I help my child enjoy school and attend regularly?

Be organised, have a plan, be consistent and involve your child!

You should:

- ensure they have an appropriate bedtime routine
- create good routines for mornings at home so that your child can arrive punctually and are properly equipped;
- avoid absence from school wherever possible – try to make doctors and dental appointments out of school hours
- make time to encourage and show interest in school work, friendships etc.
- attend school open evenings and functions
- Create a calm space for them to do homework, check they understand the homework and that it has been completed.
- share any education concerns your child or you may have with the school staff as soon as possible
- set realistic boundaries

Holidays/Leave in term time

Holidays in term time are not allowed. Parents/carers must apply for the authorisation of any leave prior to travel or their children could be reported to the council as missing in education.

Leave for other circumstances such as bereavement or family illness abroad may also not be authorised. Informing the school does not mean the leave is agreed. In the event of a genuine family emergency, parents should avoid requesting more than 5 school days absence. Leave due to weddings is unlikely to be authorised.

Two weeks unauthorised holiday/leave means at least 50 lessons missed that will never be repeated.

What does the law say I must do as a parent/carer?

Once your child is registered at a school, you are legally responsible for making sure they attend regularly. This means your child should not have any unauthorised absence as this would constitute an offence in law.

When attendance doesn't improve after support or, when a minimum of 5 days unauthorised holiday/leave is taken, legal action can be taken.

Courts can fine parents/carers up to £1,000 per child and for repeat offences the court can fine parents/carers up to £2,500 per child or impose a prison sentence of up to 3 months.

In many cases, but not all, parents/carers can discharge an offence by paying a penalty notice of £160 for each parent per child, discounted to £80 if paid within 21 days. For a family of two parents/carers with 3 children that would be at least £480.

Where can I get help and advice?

If you need support in relation to your child's attendance, help is available. Please make an appointment with the school to discuss your concerns.

Most difficulties can be resolved informally, but the staff can also arrange an early help assessment or make a request for support to Birmingham Children's Trust if necessary, with your consent.

School nurses can also be helpful if your child has a medical condition or has a lot of time off due to illness.

Parents/carers are strongly advised to work in partnership with the school to address any difficulties impacting school attendance. For more information about school attendance or if you need help or support, please use these links:

Top Tip!

Fastening buttons
 When learning to fasten buttons children can engage in games to develop the skills, they need to be able to fasten buttons. For some activity ideas scan the QR code.

When learning new skills, it is important to involve the child's interests. Think about how you can bring in their favourite characters, TV shows or films into games.
